* **ATTENTION ELEMENTARY EDUCATION STUDENTS:** To receive an elementary provisional teaching certificate, candidates must pass the Elementary Education Test (code 83)* - Note - the endorsement code will not appear on the teaching certificate. This test qualifies candidates for K-5 all subjects and K-8 self-contained classroom. Candidates who also wish to be certified to teach grades 6-8 in their major or minor area must also take the corresponding subject area test(s).

**Mathematics test - Elementary Education students take test #89 and Secondary Education students take test #22

***Integrated Science test - Elementary Education students take test #93 and Secondary Education students take test #94

- The LX, CE and SB endorsements will not be offered to new CMU candidates after the fall semester of 2002.
- The DX and NR endorsements will not be offered to new CMU candidates after the fall semester of 2003.
- At the printing of this *Handbook*, the program and the test for this subject area had not yet been approved by the Michigan Department of Education.
- The GX endorsement will not be offered to new CMU candidates after the fall semester of 2004.
